Print out onto A4 or A3 card and cut out around the solid lines. Fold along the dotted lines and glue the tabs to assemble into a cube.

Throw as a die with your class or a smaller group to stimulate discussion about your upcoming museum visit.

Have you visited a museum before?

What kind of things would you put into a museum?

What do you think you will see and do in l the museum?

your visit? out about on want to find What do you
