

Early Years

Dippy downloadable
resource pack

Circle the animals that you think are endangered.

Now find the animals in the 'Natural Northumbria' gallery to see if you were right.

Red Squirrel

Field Vole

Grey Squirrel

Goldcrest

Badger

Fox

Peregrine Falcon

Hedgehog

Adder

Can you match the animals to where in the world they come from?

Use the information in the galleries to help you.

Rabbit

Hippo

Bokikokiko

Kiribati

England

Mauritius

Rome

Egypt

Aurochs

Dodo

Otter

Megalichthys

How many legs and how many toes?

How many stomps from the tail to the nose?

Stretch up tall, up to the roof

Sharp or flat is this dinosaurs tooth?

Does it eat plants, or does it eat meat?

Was it fast or slow on its dinosaur feet?

Imagine the sounds that this dinosaur makes.

Imagine the ground as it quivers and shakes.

What covered the bones, the bones from within.

Did it have scales or feathers or skin?

Can you draw in the bones to this dinosaur shape?

Quick do it now before it escapes!
