Gorgons are found in Greek Mythology.

They were believed to be terrifying creatures with snakes for hair and the power to turn anyone who looked them in the eye into stone.

This is an image of a Gorgon from our Ancient Greek gallery.

Instructions:

- Cut out the three long bands and snake hair.
- Using cellotape or glue, fasten the bands together and add the snake hair.
The bands will hold your Gorgon head band in place so that you can wear it on your head.
