

Hedgehog Headband

1. Cut out the two long bands and Hedgehog.
2. Using cellotape or glue, fasten the bands together and add the Hedgehog.
The bands will hold your headband in place so that you can wear it on your head.

5 Hedgehog Facts

- Hedgehogs are nocturnal. This means they wake at night-time.
- They are named Hedgehogs because they like to live in hedges.
- They have between 5,000 – 7,000 prickles on their backs.
- Hedgehogs do not have very good eyesight.
They rely on smell and hearing to find their lunch.
- Hedgehogs are endangered. This means that we need to take care of Hedgehogs or they may become extinct. If an animal becomes extinct this means they are gone forever.
